Although the number of traffic accidents in Ota City is falling, the percentage of those involving bicycles is climbing year by year. Remember that a bicycle is a vehicle and observe the following "five rules for safe bicycle riding."

Five rules for safe bicycle riding

1. As a general rule, ride on the road. Riding on a sidewalk is for exceptional cases only.*

4. Observe safety rules.

- Do not ride when intoxicated, and do not ride double or abreast.
- Use lights at night.
- At intersections, observe traffic signals. Stop and make sure the way is safe before proceeding.

5. Children should always wear a helmet.

* Riding a bicycle on a sidewalk is permitted in the following cases:

- When specified by traffic signs
- When the rider is a child under the age of 13, a senior citizen aged 70 or older, or a person with a physical disability
- When riding on the road is hazardous due to road construction or traffic congestion
